The Seven Husbands of Evelyn Hugo	Taylor Jenkins Reid
The Lightning Thief	Rick Riordan

Bookmarked

Our aim is to provide bookworms with a safe and minimal site to keep track of their reading list, without all the other clutter needed. **Bookmarked** is a place for people who uphold their love for reading and ensure that every story they read is well treasured.

This project is still in development and will be still under the process of having other more essential features added. We hope to receive your support as we travel along the journey of progress!
